READERS OF THE NATIONAL REPUBLI-CAN leaving the city for the summer can have the paper mailed to their address for sixty-sis cents per month, in advance.

MOULTOn's statement does not read as if Butler had a hand in it. The General would certainly have given us something stronger and more substantial.

SUSAN B. ANTHONY sends us word from Rochester this morning, that the whole story about her and Tilton is a base fabrication upon the part of Bessie. The best Harrisburg disgust honest and thinking men, thing Susan can do is to hunt up a "mutual bring discredit upon the party, and should

THE recognition of the Spanish republic of the country. by the European Powers is followed by the announcement of a crisis in the Cabinet, popular troubles in Madrid, and some Carprobable-for when was Spain without an engaged in commerce can scarcely be overthe Madrid populace very possible. These rect book-keeping in a banking or commercial reports of Carlist victories must be taken house. Statesmon and merchants cannot make for what they are worth, which is not

that the Southern negroes should migrate to those States where the colored people are already either in the majority or very are already either in the majority or very countries for our consumption. Next in imclose to it, has alarmed the Richmond Encuirer. That journal has come to the conclusion that he cannot be dispensed with in required to make up those values each year. Virginia. "As silly and senseless," it says, It is only from this latter information that we "as we know him to be politically, we are enabled to estimate the approximate "not ready yet to part with him." Then, profits derived from our shipments abroad why don't you treat him fairly and or to calculate those of our foreign correspond-

THE VALUE OF THE NEW BONDS. Dortune favors those who help themselves" is a trite old saying, and it is as greatly enhanced if they could be aggregated true now as ever it was in the past. It is and published daily. as true of this District as it is of indivithe croakings of mischief-makers, who are doing all they can to degreciate our credit, for the purpose of a temporary selfish advantage. It is the nature of the speculator and the lobbyist to depreciate everything moment he has obtained the desired interest his views change in regard to the value in sanctioning. are the very persons who have all along been exerting their entire influence to obstruct the improvements in course of prosecution by the Board of Public Works, because they had no interest in the contracts. Their next efforts were to stop the improvements by misrepresentations regarding their cost and character. Having partially succeeded in this, through the investigating committee and the discredit of the certificates of indebtedness issued by the late government, they are now engaged in the attempt to stop further improvements under the new government by the representations that the new bonds and the certificates of the board of audit are only worth from sixty to eighty per cent, of their face

in currency. Foiled in their attempts and desires to rob the people through the contracts upon the public works directly as contractors, they are now determined to compel those who have performed the work of the District in good faith, and taken District certificates for pay, to submit to a heavy lar throughout this list, with the exception sacrifice in changing these into money. "It is a dirty bird that fouls its own

nest." The croakers and growlers and in wool, fron and steel and machinery. maligners of Washington and its officials On the other hand, the exports of domestic are most worthy illustrations of the truth produce from this country during ten months PURE WINES AND LIQUORS FOR of this adage. But these last efforts of the ending April 30, 1874, compare with those of their indebtedness. Their credit has always stood with the best of the cities of this warehouse, of \$29,280,037, while for the same country. And now that this glorious period of 1873 the imports exceeded the exports record of the past is strengthened by the by \$68,411,617. pledge of the faith of the Government and

these long-low-rate bonds. In the report of the joint investigating committee, to which was referred the message of the would like to have a third term. However President relating to the rate of interest, the following language is used: "That there is that may be no apprehension as to the pledge still less doubt that be will be sorely disappared by the pledge still less doubt that be will be sorely disappared by the pledge still less doubt that be will be sorely disappared by the pledge still less doubt that be will be sorely disappared by the pledge still less doubt that be will be sorely disappared by the pledge still less doubt that be will be sorely disappared by the pledge still less doubt that be will be sorely disappared by the pledge still less doubt that be will be sorely disappared by the pledge still less doubt that be will be sorely disappared by the pledge still less doubt that be will be sorely disappared by the pledge still less doubt that be will be sorely disappared by the pledge still less doubt that be will be sorely disappared by the pledge still less doubt that be will be sorely disappared by the pledge still less doubt that be will be sorely disappared by the pledge still less doubt that be will be sorely disappared by the pledge still less doubt that be will be sorely disappared by the pledge still less doubt that be will be sorely disappared by the pledge still be sorely disappared of the United States, we here repeat it in pointed. "the exact words of the bill. And the faith of the United States is hereby pledged "that the United States will by proper pro-'portional appropriations as contemplated in this act, and by causing to be levied upon the property within said District 'such taxes as will do so, provide the rev-"enues necessary to pay the interest on 'said bonds as the same may become due world is too busy for romanticism. WHY IT WAS DONE.

The action of the Pennsylvania politicians THE WEEKLY NATIONAL REPUBLICAN and discussion of the papers of the State and of the country. The Pittaburg Evening Evening and the country. The Pittaburg Evening Evening and the country is the following rates: One copy one year, \$1; three copies one year, \$2; three copies one year, \$2; three copies one year, \$3; three copies one year, \$3; three copies one year, \$3; three copies one year, \$4; three copies on year, \$4; three copies one year, \$4; three copies on year, \$4; three cop 'geons.''

The politicians of Pennsylvania have been always notorious for these slippery methods, and there can be no doubt that they are in a great measure responsible for much of the political trickery of the day. Practices like those which have just been perpetrated at be rebuked by the press and by every one who has an interest in the political honesty

OUR FOREIGN TRADE. The importance of a rigid scrutiny over the list successes. The row in the Cabinet is imports and exports of a nation which is largely event of this kind-and the discontent of estimated. It is akin to the necessity of corthe country in a legislative and commercial point of view unless they have correct ac-THE advice of Mr. Frederick Douglass counts of the past to consult, and these they ents upon the importations we consume. It is also upon information of this character that operators and merchants predicate their transactions for the future. The incalculable value of correct statistics of this character would be

The Bureaus of Statistics and of Agriculture duals. It is a great mistake, therefore, for could be made of much greater practical utility the people of the District to allow them. than they now are if their labors could be conselves to be cost down and discouraged by solidated and the information obtained daily 23 Pennylvania avenue northwest, has by telegraph. The results might then be aggregated and promulgated to the world by being through the medium of the press.

But in order to accomplish this Government should have control of a line of telegraph of sithe REFUBLICAN JOB OFFICE. its own. The expense of the transmission of in which he has no personal interest. The such returns by the Western Union lines would be greater than Congress would feel justified

of the article to be negotiated. There are We have received from the chief of the Bumany persons now engaged in decrying the reau of Statistics a statement contrasting some value of the forthcoming District bonds and of the leading articles of export from Great the certificates of the board of audit, which Britain to the United States for the seven are redeemable in those bonds, for the sole months ending July 81 of the years 1873 and purpose of making a speculation out of the 1874: Alkali, £360,121 in 1873, against £665. purpose of making a speculation out of the holders of such securities. Some of them 1874, 734; cotton goods in 1873, 43,804, in 1874, 734; cotton goods in 1873, 63,667,435 yarda, against 78,836,830 in 1874; earthern and china ware in 1873, £498,781, and in 1874.
£325,654; haberdashery, millinery and embroidery, £940,074 in 1873, against £795,159 in 1874; hardware and cutlery, £479,805 in 1873, and £364,334 in 1874; iron and steel bar, bolt, &c., 21,095 tons in 1873, and only 9,379 in 1874; "First Scampany, at their present the same, and to make legal proof thereof to the commissioners of said company, at their present the same, and to make legal proof thereof to the commissioners of said company, at their present the same, and to make legal proof thereof to the commissioners of said company, at their present the same, and to make legal proof thereof to the commissioners of said company, at their present the same, and to make legal proof thereof to the commissioners of said company, at their present the same, and to make legal proof thereof to the commissioners of said company, at their present the same, and to make legal proof thereof to the commissioners of said company, at their present the same, and to make legal proof thereof the commissioners of said company, at their present the same, and to make legal proof thereof the commissioners of said company. &c., 21,095 tons in 1873, and only 9,379 in 1874; railroad from 134,893 tons in 1873, and 72,631 in 1874; old iron, 27,400 tons in 1873, and only 5,259 in 1874: tin plates, 58,462 tons in 1878, and 53,905 in 1874; steel, 12,624 in 1873, and 7,603 in 1874; linen goods, 66,836,917 yards in 1873, and 64,907,530 in 1874; machinery, £348,-904 in 1878, and £195,791 in 1874; salt, 128,763 tons in 1878, and 102,915 in 1874; paper, £89,-545 in 1878, and £24,046 in 1874; spirits, 48,050 gallons in 1873, and 29,750 in 1874; silk, man-1873, and 42,208 in 1874; wool, 588,153 lbe. in 1973, and only 87,518 in 1874; woollen cloths, £910,482 in 1873, and £653,191 in 1874; worsteds, £2,660,035 in 1873, and £1,976,850 in 1874; carpets in 1873, £494,536, and in 1874, £420,198. It will be noticed that the falling off both in quantities and values is unanimous and regu-

that in raw materials or those to enter into our manufactures the discrepancies are greatest as obstructionists will be without avail. The 1873, as follows: 1873, \$485,457,353 against people and government of this District \$518,951,380 in 1874, of which was specie and ave never defaulted upon the interest of bullion in 1873, \$64,693,042, and in 1874, only

intrest entition of parents who sprecise the true
intrest entitled to this new and improved school, its system, preciscally tested, rendering more pleasant, rapid and
reliable the progress of pupils. By their advancemout the teacher would be judged. A mative of
Washington, he is well known to a large portion of
its ditissus, and here and olsewhere recognized as
the author of "lyywall," "Moona" and other
volumes. Tolumes:
A number of pupils being stready engaged, early application is important, as the school is limited, and those who "begin at the beginning" will have a great advantage. The Princepal will be in daily attendance at the school from the present time, happy to furnish particulars to his friends and the public, and solicitous of obtaining and deserving their subport.

henrican adjusted of the state ST. JOHN'S COLLEGE, JAMES M. GARNETT, LL. D., Principal.

O Alexanfria, is the oldest boarding school in Virginia, having been established in 183. The next session opens on MONDAY, September 7. The instruction is thorough, and though students are treated with the unnest kindness, the distipline session open an MUNIAY, beginning of the instruction is thorough, and though students are treated with the utimost kindness, the discipline is firm.

The boarding-house, 176 and 177 Prince street, is fittated in this most elevated and beautiful part of the city, and every care is taken to make the residence of students from abroad as pleasant as possible. A carefully-selected library of a flowant as possible. A carefully-selected library of a flowant columns, and a resultar-room ulifed with papers from all parts of this country, are open to than, while the students are limitarized by a flow deminal and philosophical apparatus, an extensive cubines of bilace of blue students are uniformed and armed, and each daily session begins with a short military drill, in the early summer there is an excursion, or camp, is slips about a week.

Botf and unition, \$200 a year; for those who reside in Washington or slewhers near enough to go home on Friday afternoons, and who have their washing and mending done at home, \$175 a year.

Per further particulars or catalgeties address, RICHARD L. CARNE. A. M. Principal, angl-odw Drawer X. Ajexandris, Vs.
